## 6<sup>th</sup> Annual Navy SEAL Foundation Impact Forum

May 14, 2024

It is with great pleasure that I extend a warm welcome to each of you to the 6th Annual Navy SEAL Foundation Impact Forum. I am honored to call attention to this significant event in our nation's capital, dedicated to advancing the well-being of our nation's special operations force.

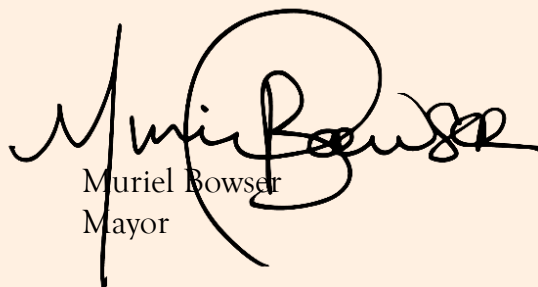

Over the course of the next two days, you will come together to focus on improving the delivery of physical and behavioral health services to our brave warriors. It is a noble mission, one that requires the collaboration of leaders from diverse backgrounds, healthcare providers, and relevant organizations. Your presence here underscores your unwavering support for our servicemen and women, and I am grateful for the opportunity to acknowledge such a meaningful gathering and thank all involved.

I hope you all are eager to engage in the discussions, gain insights, and contribute in any way you can to the collective effort of enhancing the well-being of our nation's heroes. Together, let us honor their sacrifices by ensuring they receive the care and support they deserve.

Thank you for being here, and for your service to our country. Enjoy this lovely occasion and thank you for all you do to ensure Americans everywhere are safer and stronger!
